

Affordable Website

www.affordablewebsite.info

www.freeshadez.com

Freeshadez.com is a start up eCommerce site that offers sunglasses to consumers FREE, plus a handling and shipping fee.

Site features a Flash intro, a robust product catalog, secure credit card transactions, product inventory, and state tax tables.

The site is easily maintained via an admin panel that keeps inventory, tabulates sales, creates packing lists, etc... Site traffic is driven through Natural Search, Paid Search, Online Advertising, and Word of Mouth.
